COMPANY PROFILE

# INTRODUCTION

Letsheng Holdings is an innovative enterprise founded by Kgotso Sondo in 2023, based in Mpumalanga, South Africa. Despite its headquarters being in Mpumalanga, Letsheng Holdings proudly services the entire country, offering essential services that prioritize comfort, cleanliness, and well-being. With a mission to meet the growing demand for suitable housing and cleaning solutions, the company has quickly gained recognition as a key player in the local market. Driven by the values of honesty, reliability, and affordability, Letsheng Holdings aims to create spaces and services that improve the lives of its clients.

## OUR MISSION

Our mission is to position Letsheng Holdings as a leading force in the property rental and cleaning industry, attracting investment for future growth and expansion. We aim to continuously elevate our service offering, fostering stronger ties with our community and becoming a trusted partner for local businesses and individuals seeking quality services across South Africa.

## OUR VISION

Letsheng Holdings envisions providing modern living spaces that embody convenience, affordability, comfort, and security. We are committed to creating an environment where luxury meets independence, offering our clients both a sense of serenity and a heightened quality of life. Our services are designed to meet the daily essential needs of our tenants and clients, making their lives easier and more enjoyable.

# Core Values

---

- At our company, our actions and decisions are guided by a set of core values that define who we are and how we operate.
- Our commitment to these values sets the foundation for a culture of excellence and innovation.

## **HONESTY:**

We maintain transparency in all our dealings with clients, partners, and employees.

## **INNOVATION**

We embrace creativity and continuously seek new ways to improve and advance.

## **TEAM WORK**

Our diverse and talented team works together to achieve common goals.

# KEY PRODUCTS & SERVICES

## RENTAL ACCOMMODATION

Letsheng Holdings specializes in acquiring homes and transforming them into affordable rental units for working individuals. Every unit is designed to ensure privacy and comfort, with the following features:

- En-suite bathrooms and individual toilets for complete privacy.
- Continuous water supply through installed Jojo tanks.
- Carports available for tenants' vehicles, enhancing convenience and security.

## CLEANING DETERGENTS

In addition to our housing services, we supply a wide range of cleaning detergents to local businesses, schools, and households across South Africa. Our products include, but are not limited to:

- Washing soaps
- Dishwashers & Floor polish
- Lavatory cleaning products

Our focus is on offering industrial-grade cleaning solutions that meet the needs of various sectors, ensuring cleanliness and hygiene in every space.

## WATER SUPPLY

We provide purified and natural water in bulk to local schools, spaza shops, and households nationwide. Our water comes in a variety of sizes, making it easy for customers to access fresh, clean water whenever needed. We ensure that our water supply remains consistent and reliable, meeting the daily needs of the community.

## COMPANY PROFILE

# TARGET MARKET

---

Letsheng Holdings targets a diverse range of clients, ensuring that our services meet the unique needs of various segments within the market. Our primary focus is on providing affordable and comfortable housing solutions, cleaning products, and water supply to the following groups:

### Working Professionals

- **Need:** Affordable and secure housing in safe, comfortable environments.
- **Offering:** Rental units with modern amenities such as en-suite bathrooms, carports, and continuous water supply, tailored to meet the needs of busy working individuals who seek convenience and privacy.

### Local Businesses and Entrepreneurs

- **Need:** Reliable cleaning products and services to maintain a hygienic environment for employees and customers.
- **Offering:** A variety of industrial-grade cleaning detergents and solutions that ensure cleanliness in schools, shops, offices, and other commercial spaces.

### Households and Families

- **Need:** Affordable, clean water and basic daily amenities.
- **Offering:** Bulk purified and natural water supply for homes, schools, and local businesses, ensuring consistent access to clean water for families and households.

## COMPANY PROFILE

# TARGET MARKET

---

Letsheng Holdings targets a diverse range of clients, ensuring that our services meet the unique needs of various segments within the market. Our primary focus is on providing affordable and comfortable housing solutions, cleaning products, and water supply to the following groups:

### Educational Institutions and Public Sector Organizations

- **Need:** Reliable, bulk water supply and cleaning products for maintaining hygienic and well-maintained premises.
- **Offering:** Bulk water solutions and high-quality cleaning detergents tailored for schools, colleges, and other public sector entities.

### Affordable Housing Seekers

- **Need:** Low-cost yet comfortable living options for individuals or small families.
- **Offering:** Converted homes into affordable rental units with essential amenities such as privacy, security, and continuous access to water.

### Geographic Focus

While Letsheng Holdings is based in Mpumalanga, our services are available nationwide, serving clients in urban, suburban, and rural areas. We are focused on both established urban centers and emerging local markets, providing our products and services across South Africa.

COMPANY PROFILE

# COMPETITIVE ADVANTAGE

---

01

## One-Stop Service

Housing, water, and cleaning solutions under one brand.

02

## Affordable Comfort

Modern, private rooms at competitive prices.

03

## Reliable Supply:

Continuous water availability with JoJo tanks

04

## Community Focused:

Services tailored for local needs.

# MARKET ANALYSIS

## 1. Industry Overview

The demand for affordable housing, reliable water supply, and hygiene products continues to grow in South Africa, driven by urbanization, population growth, and an increasing focus on health and wellbeing. Many working individuals seek cost-effective accommodation with modern amenities, while households and institutions require affordable cleaning solutions and purified water.

## 2. Target Market

Our primary market segments include:

**Working Professionals:** Individuals seeking secure, affordable rental rooms with privacy and comfort.

**Households:** Families in need of everyday cleaning detergents and purified water.

**Local Businesses & Schools:** Institutions requiring bulk cleaning products and water supply.

## 3. Market Needs

Affordable, private rental accommodation in urban and peri-urban areas.

Reliable supply of cleaning products for households and businesses.

Safe, purified water for consumption and daily use.

## 4. Market Trends

**Affordable Housing Demand:** Rising due to urban migration and economic pressures.

**Health & Hygiene Awareness:** Increased need for quality cleaning products post-COVID-19.

**Sustainable Water Solutions:** Growing concern over water scarcity and the need for consistent supply.

## 5. Competitive Landscape

Although there are existing players in housing and cleaning products, very few combine accommodation, hygiene products, and water supply under one brand, giving Letsheng Holdings a unique competitive edge.

# Why You Should Choose Us?

## Affordable & Modern Living:

Comfortable rental spaces with en-suite bathrooms, privacy, and secure parking.

## Reliable & Consistent Supply:

Continuous water availability and dependable service delivery.

## Complete Essentials Under One Roof:

Accommodation, cleaning detergents, and purified water services in one package.

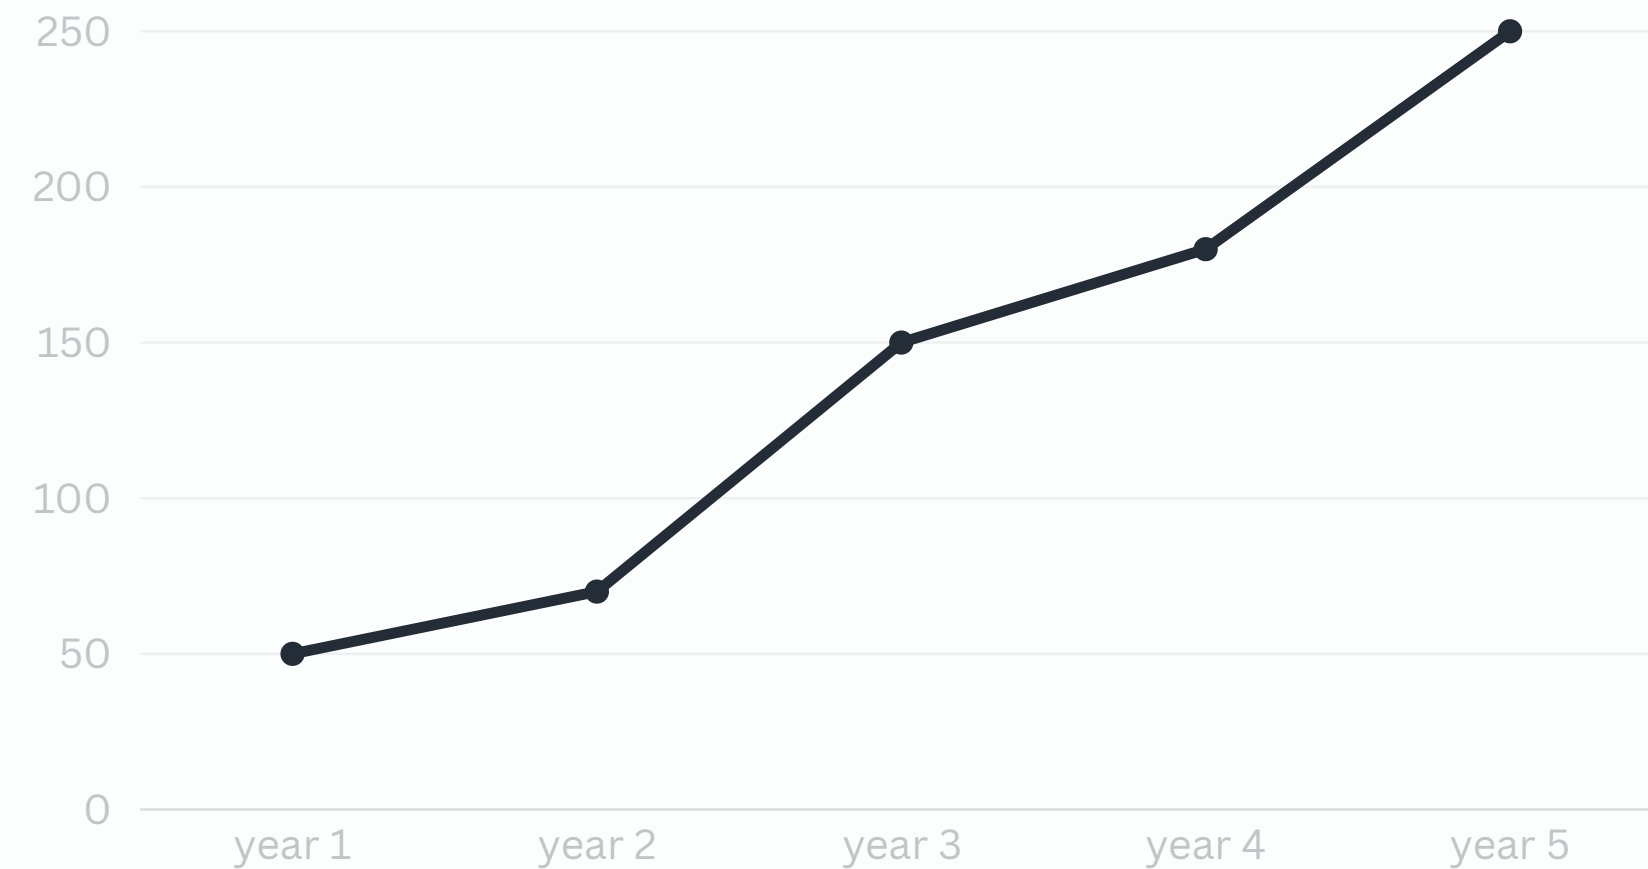

## Quality You Can Trust:

High-standard cleaning products and safe, purified water.
